

## CED-IADR/NOF Oral Health Research Congress

19-21 September 2019  
Melía Castilla Hotel & Convention Center, Madrid, Spain

An international multi-disciplinary research meeting hosted by the Continental European & Scandinavian divisions (CED-IADR/NOF) of the International Association for Dental Research (IADR).

[www.ced-iadr2019.com](http://www.ced-iadr2019.com)

A TWO-AND-HALF DAY CONGRESS where you can present your latest research in an ORAL PRESENTATION or POSTER, or attend more than 18 SYMPOSIA on diverse subjects of high scientific level, while you can also meet your peers and NETWORK.

---

### NEW

- Comprehensive **Clinical Satellite Symposia** on Saturday morning
- **Free research workshops** every morning
- Symposium organized by '**YOUNG CED-IADR**' on implant dentistry
- Symposia on **Orthodontic topics**
- **Meet a Mentor** lunch session
- **Institutional support** by the Madrid Dental Council (**COEM**, *Colegio Oficial de Odontólogos y Estomatólogos de la Primera Región*) and the Spanish Society of Periodontology (**SEPA**, *Sociedad Española de Periodoncia*)

---

### FAQ

All presenting authors **MUST** register for the congress to present their work.

Find [here](#) answers to frequently asked questions (FAQ).

Find [here](#) how to submit an abstract.

---

### IMPORTANT DATES

---

- **April 23, 2019:** Abstract submission deadline
- **Mid-June, 2019:** Abstract acceptance notification emailed to presenters
- **July 15, 2019:** Early registration & accommodation deadline
- **September, 19-21, 2019:** Congress dates

---

## ABSTRACT SUBMISSION

Are you involved in dental, oral and craniofacial research?  
Start preparing your research for inclusion in the program.  
Submit [here](#) your abstract now (deadline April 23, 2019)!

---

## PRELIMINARY SYMPOSIUM PROGRAM [Click here](#) for a printable version

**Thursday, September 19, 2019**

### GLASS HYBRID TECHNOLOGY IN THE POST AMALGAM ERA: THE RESTORATIVE INNOVATION (supported by GC Europe)

- *Clinical evaluation of a glass hybrid system vs. a resin composite: preliminary findings of a multicentre trial* by **Ivana Miletić** (Zagreb, Croatia)
- *Advantages of glass hybrid materials in daily practice* by **Marco Ferrari** (Siena, Italy)
- *Post-minamata era and needs for amalgam alternatives* by **Falk Schwendicke** (Berlin, Germany)

Chaired by **Avijit Banerjee** (London, UK)

---

### ARE WE PREPARED AND CAPABLE TO MEET THE ORAL HEALTH NEEDS AMONG THE OLDER PEOPLE? (supported by Unilever Denmark)

- *Oral health status among older people in a global perspective* by **Lisa Bøge Christensen** (Copenhagen, Denmark)
- *Measures to promote and support oral health in older adults* by **Anastassia E. Kossioni** (Athens, Greece)
- *Minimal or advanced restorative dentistry? Concepts for oral rehabilitation measures in elderly patients* by **Timo Närhi** (Turku, Finland)

Chaired by **Anne Marie Lynge Pedersen** (Copenhagen, Denmark) and **Janicke Liaaen Jensen** (Oslo, Norway)

---

---

### **CARDIOVASCULAR DISEASES AND THE ROLE OF ORAL HEALTH** (supported by Philips)

- *Potential molecular and genetic mechanisms for the relationship between periodontitis and cardio-vascular disease (CVD)* by **Bruno Loos** (Amsterdam, The Netherlands)
- *Epidemiological evidence for the relationships between periodontitis and CVD* by **Ana Molina** (Madrid, Spain)
- *Forging a cardio-dental alliance: strategies to work on to improve global health* by **Alvaro Marco del Castillo** (Madrid, Spain)

Chaired by **Bruno Loos** (Amsterdam, The Netherlands)

---

### **ADVANCED DENTISTRY – FROM TRADITIONAL TO DIGITAL WORK FLOW** (supported by 3M Oral Care)

- *Evolution of impression taking – new impression materials in digital times?* by **Bernd Wöstmann** (Gießen, Germany)
- *Digital technologies and monolithic materials - an ideal synergy?* by **Jan-Frederik Güth** (Munich, Germany)
- *The de-stressed smile: low shrink chemistries for modern resin composites* by **Will Palin** (Birmingham, UK)

Chaired by **Will Palin** (Birmingham, UK)

---

### **NEW APPROACHES TO THE UNDERSTANDING AND TREATMENT OF DENTINE HYPERSENSITIVITY** (supported by Unilever)

- *A clinical perspective on dentine hypersensitivity: the root of the problem* by **Nicola X West** (Bristol, UK)
- *The clinically proven benefits of brushing with a novel toothpaste on patient experience of dentine hypersensitivity* by **Nicola X West** (Bristol, UK)
- *Dentine hypersensitivity and its impact on the quality of life* by **Filippo Graziani** (Pisa, Italy)
- *The prevalence of dentine hypersensitivity in Europe and its impact on periodontal and dental health* by **Virginie Monnet-Corti** (Marseille, France)
- *In-vitro studies investigating the mode of action of a novel technology to address dentine hypersensitivity* by **Andrew Joiner** (London, UK)

Chaired by **Marjolaine Gosset** (Paris, France)

---

### **DENTAL EROSION - THE NEW TOOTHACHE** (supported by NIOM and NOF)

- *Dental erosive wear - a global condition* by **Aida Mulic** (Oslo, Norway)
- *Etiology of erosive tooth wear and risk assessment* by **Viivi Alaraudanjoki** (Oulu, Finland)
- *Non-invasive restorative treatment of worn teeth* by **Ulla Pallesen** (Copenhagen, Denmark) & **Torgils Lægreid** (Bergen, Norway)

Chaired by **Jon E. Dahl** (Oslo, Norway) & **Peter Holbrook** (Reykjavík, Iceland)

---

### **NEW INSIGHTS IN PERI-IMPLANTITIS** (by YOUNG CED-IADR)

- *Implant biofilms and aimed therapeutics* by **Ho-Yan Duong** (Bern, Switzerland)
- *Outcomes of surgical therapy of peri-implantitis. Lessons learned from in vivo studies* by **Javier Sanz Esporrín** (Madrid, Spain)
- *Outcomes of surgical therapy of peri-implantitis. Lessons learned from clinical trials* by **Stig Aanerod Ellingsen** (Oslo, Norway)

Chaired by **Ignacio Sanz Sánchez** (Madrid, Spain), **Alexandra Stahl** (Bern, Switzerland), **Eduardo Montero** (Madrid, Spain)

**Friday, September 20, 2019**

**DENTAL EPIDEMIOLOGY 2030 – A CASE EXAMPLE** (supported by DMG)

- *Predicting dental morbidity and demands: Why and how did we do it?* by **Falk Schwendicke** (Berlin, Germany)
- *Dental epidemiology 2030: what we found* by **Rainer Jordan** (Cologne, Germany)
- *What does it mean for research and practice?* by **Michael Wicht** (Cologne, Germany)

Chaired by **Michael J. Noack** (Cologne, Germany)

---

**GUIDED BIOFILM THERAPY – NEW APPROACH IN NON-SURGICAL MANAGEMENT OF PERIODONTAL & PERI-IMPLANT DISEASES** (supported by EMS Switzerland)

- *Roughness and loss of substance of tooth surfaces after biofilm removal with different processing methods* by **Michael Haas** (Graz, Austria)
- *Air polishing systems in the management of peri-implant diseases* by **Ignacio Sanz** (Madrid, Spain)

Chaired by **Adrian Lussi** (Bern, Switzerland)

---

**HIGH INTENSITY CURING LIGHTS: A SURE CURE?** (supported by Ivoclar Vivadent)

- *The dark art of light measurement* by **Richard Price** (Halifax, Canada)
- *3-second curing: composite and curing light characteristics* by **Nicoleta Ilie** (Munich, Germany)
- *Clinical experience with a 3-second curing direct restorative system: one year on* by **Arnd Peschke** (Schaan, Liechtenstein)

Chaired by **Will Palin** (Birmingham, UK)

---

**ORTHODONTICALLY INDUCED EXTERNAL APICAL ROOT RESORPTION: STATE OF THE ART OF THE CURRENT RESEARCH**

- *Principles of clinical genetics and external apical root resorption* by **James Hartsfield** (Chicago, USA)
- *What do we know about orthodontic root resorption and orthodontitis?* by **Naphtali Brezniak** (Tel-Aviv, Israel)
- *The genome and external apical root resorption in orthodontics in 2019* by **Alejandro Iglesias-Linares** (Madrid, Spain)

Chaired by **María Cadenas de Llano Pérula** (Leuven, Belgium) and **Conchita Martín Alvaro** (Madrid, Spain)

---

**TREATMENT PLANNING OF COMPLEX INTERDISCIPLINARY CASES – USING TECHNOLOGY AND SCIENCE TO ENHANCE COMMUNICATION BETWEEN SPECIALTIES** (supported by Dentsply Sirona)

- *Treatment planning of complex interdisciplinary cases* by **Angélica Iglesias Moradiellos** (Barcelona, Spain)

Chaired by **Andreu Puigdollers Perez** (Barcelona, Spain) and **Luis Giner** (Barcelona, Spain)

---

**Saturday, September 21, 2019**

**RETENTION AND RELAPSE IN ORTHODONTICS: WHERE ARE WE GOING?**

---

- *Orthodontic retention: not only keeping teeth stable* by **Carlos Flores-Mir** (Edmonton, Canada)
- *Orthodontic Retention: current trends and implications* by **Wellington Rody Jr** (New York, USA)
- *Evidence base for orthodontic retention and retainers* by **David Bearn** (Dundee, UK)

Chaired by **María Cadenas de Llano Pérula** (Leuven, Belgium) and **Conchita Martín Álvaro** (Madrid, Spain)

## Clinical Satellite Symposia (Saturday from 8:30 – 13:00 hr)

The CED-IADR/NOF board is organizing comprehensive Clinical Satellite Symposia on Saturday morning (from 8:30 hr – 13:00hr in two parallel lecture halls), dealing with the following oral health subjects:

- “ORAL MEDICINE/PATHOLOGY” Chaired by **Ivan Alabej** (Zagreb, Croatia)
- “PERIODONTOLOGY” Chaired by **Bill Papaioannou** (Athens, Greece)
- “ADVANCED TECHNOLOGIES in prevention/early detection” Chaired by **Egija Zaura** (Amsterdam, The Netherlands)
- “ENDODONTICS” Chaired by **Imad About** (Marseille, France)
- “RESTORATIVE DENTISTRY AND DENTAL MATERIALS” Chaired by **Bart Van Meerbeek** (Leuven, Belgium)

## WORKSHOPS (free workshops every morning; limited attendance; pre-registration required)

### TIPS AND TRICKS FOR SCIENTIFIC COMMUNICATIONS

with **Imad About** (Marseille, France), **Sema Belli** (Konya, Turkey) and ‘**Young CED-IADR**’  
Chaired by **Imad About** (Marseille, France)

### DESIGNING HIGH-QUALITY RESEARCH: STUDY DESIGN, DATA MANAGEMENT AND STATISTICAL ANALYSIS

with **Eduardo Montero**, **Elena Figuero** and **Conchita Martín Alvaro** (Madrid, Spain)  
Chaired by **David Herrera** (Madrid, Spain)

### HOW TO WRITE SCIENTIFIC REPORTS: FROM MANUSCRIPT SUBMISSION TO GRANT APPLICATIONS

Chaired by **Bart Van Meerbeek** (Leuven, Belgium)

## SOCIAL EVENTS

**Network & Chill** with your peers in stunning locations!

Come to the **Opening Ceremony** on Thursday at the Retiro Park (Jardines de Cecilio Rodríguez) and **Congress Get-together** on Friday at the rooftop terrace of Círculo de Bellas Artes.

**Limited tickets! Registration is mandatory.** Please book your ticket during your online registration.

Click [here](#) for further information.

---

## HOTEL

The **Meliá Castilla** is the **conference venue & the main accommodation hotel** of the CED-IADR/NOF Oral Health Research Congress and has an excellent location & connection to the airport, train stations, museums and tourist attractions.

We have reserved rooms at **195 euro single room / 215 euro double room** per room per night including breakfast, Wi-Fi & VAT.

Click [here](#) to book your accommodation.

---

## DISCOVER MADRID

Madrid is a friendly and lively city in the centre of Spain with easy access by plane and train, excellent public transportation and full of opportunities for dining, shopping and amusement. Also, Madrid is the world capital of soccer, hosting the current winners of both the UEFA Champions (Real Madrid) and Europa (Atlético de Madrid) Leagues. Click [here](#) to prepare your visit to Madrid.

The congress is officially supported by the Madrid Convention Bureau (MCB), the professional department of the city to help visitors to make the best of their visit to Madrid.

# CED-IADR/NOF Oral Health Research Congress

19-21 September 2019  
Melia Castilla Hotel & Convention Center, Madrid, Spain
